

Mid-America Transplant Foundation

Hospital Partner Education Grant

The Mid-America Transplant Foundation has established an Education Grant for medical professionals in our designated service area. These grants will assist in covering costs associated with continuing education for those professionals working in critical care and trauma medicine. The Foundation is focused on supporting education training that will support the area of organ and/or tissue donation and transplantation.

APPLICANT REQUIREMENTS:

1. Complete application form.
2. Submit seminar/class informational brochure. Training must be related to organ and/or tissue donation and transplantation.

ALL REQUIREMENTS MUST BE MET, OR APPLICATION WILL NOT BE CONSIDERED

Applications are considered on a rolling basis until all funds have been committed for the year.

When application is approved, a check for payment will be processed and sent directly to the training facility on behalf of the Applicant, or directly to the Applicant pending receipt of appropriate documentation.

Please note: Verification will be made that the course/training was completed by the Applicant.
