RE: ASHI Accreditation No. **12-4-MO-05-1**  
CLIA No. **26D1086087**  
UNOS No. **MOMA**

Dear Dr. Ho

I have received and reviewed all of the materials sent to me by Omar Moussa, PhD, F(ACHI), your ASHI Commissioner. I am in concurrence with the recommendations of your Commissioner that your laboratory has successfully demonstrated compliance with all mandatory ASHI Standards.

On the basis of the recommendations from your Commissioner, the Mid America Transplant Laboratory, 12-4-MO-05-1, under the direction of Sam Ho, PhD, F(ACHI) is granted accreditation for the following:

**Areas of Accreditation:**

Solid Organ Transplantation: Deceased Donor

**Categories & Systems:**

HLA Typing Class I: Molecular		
HLA Typing Class II: Molecular		
ABO/Rh Typing		

Accreditation for the above areas of accreditation, categories, and systems will be valid until August 31, 2027, pending successful completion of an interim, self-inspection cycle next year.

Your laboratory is accredited by ASHI for the following CMS subspecialties: Histocompatibility Testing and ABO/Rh Testing.

You and your laboratory staff are to be commended for maintaining ASHI's high standards for laboratory performance and patient service.

Should you have any questions about the inspection or accreditation process, please contact the appropriate commissioner or the ASHI Accreditation Office at (651) 202-3637.

Sincerely,

A handwritten signature in cursive script, appearing to read "Heather Eilrich".

Heather Eilrich, CHS  
Co-Chair, ASHI Accreditation Review Board
